

**HALLMARK SECONDARY SCHOOL, ONDO**  
**SECOND TERM HOLLIDAY ASSIGNMENT FOR JSSS TWO 2019-2020 SESSION**

**JSSS THREE**

**ENGLISH LANGUAGE**

A. Choose the alternative nearest in meaning to the underlined words in the passage below:  
1 – 20. (New Oxford Secondary English Course Book 3. Page 143-144. (Write out the answer only.

B. **ORAL ENGLISH**

Choose from the options lettered A – D the one that contains the given phonetic symbol.

i. / k /

A. knee                      B. gasp                      C. crown                      D. gallin

ii. / tf /

A. shame                      B. character                      C. sure                      D. church

iii. / t /

A. walked                      B. action                      C. carried                      D. listen

iv. / Ø /

A. father                      B. the                      C. they                      D. think

v. / /

A. match                      B. missive                      C. harsh                      D. measure

.....  
**YORUBA**

Ko apeere marun-un fun orisi oro – oruko wonyi:

1. Eniyan
2. Eranko
3. Ibikan
4. Aridimu
5. Airidimu
6. Aseeka
7. Aiseeka
8. Igba
9. Nnkan
10. Afoyemo

## **BASIC SCIENCE**

1. Explain with diagram:
    - i. Solar eclipse
    - ii. Lunar eclipse
  2. List three symptoms of covid – 19.
  3. List three methods of contacting covid – 19.
  4. List three methods of preventing covid – 19.
- .....

## **FRENCH**

Ecrivez une composition sur mon ecole. (15 lignes).

.....

## **CRK**

1. Explain the situation of the world before creation.
  2. Given an orderly biblical account of creation from day one today six.
  3. State three reasons why God made human beings.
  4. Given three reasons why man should not marry his fellow man?
  5. List five consequences of lack of repentance.
  6. Mention three blessings of Abraham for obeying God.
- .....

## **P. H. E.**

1. Write out the theory of title IX in sports participation.
  2. Write out the history of sports in Nigeria (pre-and post independence) era.
  3. List any twenty values of sports and recreation.
- .....

## **HOME ECONOMICS**

Read extensively on consumer challenges and rights and answer the following questions:

1. Explain the term consumer.
2. List and briefly explain only 10 rights of the consumer.
3. State any 7 challenges of consumers.
4. Enumerate 5 procedures for seeking redress.
1. Write short note on wood work hand tools. Give the uses of each of the hand tools.
2. Drawing instruments and materials. List 15 technical drawing tools. Explain each of them in detail.
3. Define matter. Identify the states of matter.
4. Define the following:- Electrons, photons and neutron.

5. Distinguish with examples the difference between a conductor and insulator.

**AGRICULTURAL SCIENCE**

- 1. Study these topics “Importance of Agriculture” ‘Forms of Agriculture’ Factors of Production.  
‘Types of Agricultural Practices’  
“Products of Agriculture”  
“Classes and uses of crops”

Answer the following questions:

- 1. Define agriculture.
- 2. List five importance of agriculture.
- 3. List five areas of agricultural science and five forms of agriculture.
- 4. List the two levels of agricultural production.
- 5. List the factors of agricultural production.
- 6. List three types of farming systems and three types of cropping systems.
- 7. List factors that determine the adoption of cropping systems.
- 8. In a tabular form list ten agricultural products and their uses in industries.
- 9. List the examples each of annual, biennial and premarital crops.
- 10. List three classes of crops with two examples each.

.....

**COMPUTER SCIENCE (BST 4)**

- 1. What is computer security?
- 2. Give three reasons why you need to secure your computer.
- 3. Mention the two types of computer security.

.....

**CIVIC EDUCATION**

Read on the following topics:

- 1. Meaning of values.
- 2. Importance of values.
- 3. Levels of manifestation of values.
- 4. Factors that promote good values system.

Answer the following questions.

- 1. What are values?
  - 2. List five importance of values and explain two.
  - 3. Explain the two levels of manifestation of values
  - 4. State the seven factors that promote good values system and explain five.
- .....

## **FINE ARTS**

1. List 4 types of motif
  2. Define exhibition
  3. Mention some steps taken in exhibition.
  4. What is lettering
  5. Mention types of lettering.
- .....

## **SOCIAL STUDIES**

Read on the following topics

1. Meaning of primary social group.
2. Reasons why family is a primary social group.
3. Functions of the family as a primary social group.
4. Roles and responsibilities of members of the family.

Answer the following questions.

1. What is primary social group?
  2. List five reasons why family is a primary social group.
  3. List five functions of the family as a primary social group.
  4. State five out of the roles of the following members of the family.
    - i. Father
    - ii. Mother
    - iii. Children.
- .....

## **BUSINESS STUDIES**

1. What is Balance Sheet?
  2. Mention two contents of balance Sheet and explain them.
  3. Write short not on the following terms
    - a. working capital
    - b. working invested
    - c. capital employed
    - d. circulating capital.
- .....

## **MATHEMATICS**

1. According to Coulomb's law, the force  $F$  is directly proportional to the product of charges  $q$  and  $Q$  and inversely proportional to the square of the distance  $R$  between the two charges. If  $F = 40\text{N}$ ,  $Q = 32$  Coulombs.
    - a. Express  $F$  in terms of the charges and distance  $R$
    - b. Find the value of  $q$  when  $F = 50\text{N}$ ,  $R = 49\text{m}$  and  $Q = 40$  coulombs.
    - c. The value of  $R$  when  $F = 80\text{N}$ ,  $q = 60$  coulombs and  $Q = 70$  Coulombs.
  
  2. The quantity  $P$  is partly constant and partly varies as  $Q$ . When  $P = 4$ ,  $Q = 2$  and  $P = 12$ ,  $Q = 4$ .
    - a. Find the relationship between  $P$  and  $Q$
    - b. Find  $P$  when  $Q = 6$
- .....

## **MUSIC**

Write short notes on the following topics:

1. Music
2. Key signature
3. Tetra chord.
4. Technical names.
5. Interval.
